No. 318/63/2019-GCRT
Government of India
Ministry of New Renewable Energy

Block No. 14, CGO Complex
Lodhi Road, New Delhi
Dated: 19.01.2022

Subject: Allocation of capacities to Electricity Distribution Companies (DISCOMS) under Rooftop Solar Programme Phase – II.

This refers Ministry's order number 318/331/2017-GCRT Division dated 08.03.2019 vide which sanction was issued for launch of Rooftop Solar Programme Phase-II for achieving cumulative capacity of 40,000 MW from Rooftop Solar (RTS) Projects by the year 2022 covering following components: -

- I. Component – A: Setting up of 4000 MW of Grid Connected Rooftop plants in residential sector with Central Financial Assistance (CFA).
 - II. Component – B: Incentives to DISCOMS based on achievement for installing additional grid connected rooftop capacity in all sectors over and above the base level, with the incentive being limited to the first additional 18000 MW of rooftop capacity added in the country. Achievement above this level will not be eligible for any incentive.
2. The operational guidelines for implementation of Rooftop Solar Programme phase II were issued vide letter no. 318/331/2017- GCRT dated 20.08.2019 and subsequent amendments issued from time to time.
3. Based on the demand received from DISCOMs, targets for the residential sector for the current year under the programme, operational guidelines and also considering performance of the DISCOMs in implementation of residential rooftop in the past 5 years, following is the DISCOM wise allocation of capacities in residential sector under the RTS programme phase II for the current financial year 2021-22: -
