The suggestions made by the Government of India in improving the "Ease of doing the business" in the States and assessment frame work for ranking the States in "Ease of doing the business" with a request to adopt the suggestions made by the Government of India to ensure that the Karnataka State is ranked on high in the comparison.

For the implementation of action points suggested by the Government of India and Energy department of GoK, the following instruction are to be followed.

1. Only 2 documents are required from the applicant for obtaining electricity connection to the Industrial units.
 - a. Ownership documents.
 - b. MoA/partnership Deed.
2. The time required for release of electricity connection is as follows:
 - a. Within 7 days from the date of application where no extension of network is involved and payment of required deposits whichever is later.
 - b. 15 days from the submission of CEIG approval and payments of required deposits whichever is later where extension of network is involved.

The above action points are subject to any modification by Hon'ble KERC in the relevant Regulations.
